

Property Use Committee Report

During 2012 Annual Session, Minute #34 stated approval of the following: "the formation of a working group to develop oversight processes for the use of the site for programs, retreats, and other activities. This group will consist of representatives from the Stewards, from Site Envisioning, Maintenance and Planning, Finance, Ministry and Advancement, Peace Resources, and Environmental Concerns Committees, and from Adult Young Friends, High School Friends, and Clear Creek Meeting."

The committee, formed in August, met by conference call in September and had its first face to face meeting in October. The Committee has researched and discussed several issues including insurance, food safety, accessibility, tax responsibilities, programmatic aspects and how we want to use and not use the property. Much information has been gathered and shared. Many questions were raised during the meetings so additional research is being conducted by committee members. The next meeting will be scheduled after the first of the year.

The Committee will have more to share at the next Continuing Committee meeting in the spring, 2013.

This Committee is now named the "ad hoc Property Use Committee" with 13 members including: Ashlee Miller-Berry, co-clerk (Adult Young Friends and Finance Committee), Sarah Pavlovic, co-clerk (Environmental Concerns), Breeze Richardson (Peace Resources), Bridget Rorem (M&A), Carol Bartles (Stewards), Judy Wolicki (Field Secretary), Diane Dennis (M&P), Sharon Haworth (Administrator coordinator), Beth Schobernd (Clear Creek), Becky Morris (Clear Creek), Chip Rorem (SE), Bruce Kanarek (Finance Comm.) and Janice Domanik (YM Clerk).

Carol Bartles, Convener
