

## Report of the Overall Co-coordinators for Site Prep and Hospitality

Planning for site prep and hospitality is coming along well. All the coordinator positions are filled and cooks have been identified for site prep. All Friends are encouraged to help with site prep/hospitality duties as way opens. These duties include preparation of the grounds prior to yearly meeting, helping with housekeeping and other hospitality tasks during yearly meeting, and staying after lunch on Sunday to help with clean up. Please consider what you can do to help take care of our physical space. Many hands make light work.

Beth Schobernd and Erin Taylor, co-coordinators

## Report of F.U.N. Coordinator

We have started thinking about morning program curriculum, which we should be able to tie to the overall theme of compassion. Other than that, we are not planning on any major changes from previous years. If there are any questions, comments or suggestions, please bring them to my attention. There are a few updates to the volunteers from the last few weeks. There are still needs for 4 people to help with the morning program, someone to organize recreation/trips to the pool, etc, and someone for the Saturday service project. The current roster is below.

Thanks,  
Ted

Overall Coordinator: Ted Kuhn  
Wee Friends/Babysitting: Judy Jager

### Morning:
