

Chicago South reports that at this time, we have no teachers for first day school during the annual session. We ask that the IYM representatives, especially from Chicago South meetings, ask within your meetings to see if there are volunteers for these important jobs. The activities don't need to be elaborate, having the children together to interact with each others and with caring adults is most important. If you have any questions about teaching or how you can help, please contact Sue Styer (sstyer@imsa.edu).
