**Adult/Intergenerational Program:**

Our adult program, brought to us by Judy Wolicki and Marcia Nelson, will be based on the Pendle Hill Pamphlet #442, "Meeting at the Center: Living Love and Reconciling One with Another" by Bruce Birchard.

Through our own stories and through Bruce Birchard’s stories of attaining reconciliation, this program will explore the path to reconciliation of the divisions we experience in our own families, our work & our world. Birchard describes how “telling the truth & moving through the fear” can lead to “God happening.” He speaks of the possibility of “a divine spark” “leap[ing] across the gulf” between us to create an “unexpected bond of love” in relationships. In telling our own stories & discussing his, we will attempt to discover a process that will invite the light into our own hopes for living love & reconciling.

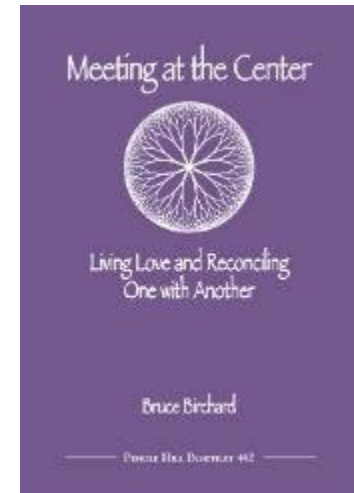

**High School Friends** will be having a Quake at BRQ and will have their own programming. They will bunk together in a cottage.

**Children’s Program:** Steve and Jad Tamari and Dawn Crimson will lead the Children’s Program. Friends through middle school ages will do activities related to the theme. The children's program will focus on community. We'll think of all the ways in which being together, especially in person, unites people with each other and the natural world. We'll read, exchange ideas, play, cooperate, and engage in indoor and outdoor activities to put our ideas about community into practice.
