The ILYM High School Friends are conducting a fund raiser to both celebrate annual meeting's 150 anniversary and to raise money to support relief efforts in Gaza through the American Friends Service Committee (AFSC). This year we are working with a local vendor, [QC Custom Tees](#), to allow people to pre-order a wider range of products (shirts, tall shirts, pocket shirts, youth shirts, onesies, cloth bags, and hats) as well as sizes (xs to 3xl). For every product pre-ordered on-line, ILYM High School

Friends will receive \$5 towards our efforts. At check out you will be give the choice to pay for delivery or to have it delivered to Annual Session for free (via Michael Dennis).
